Patrons at the Silver level and higher may choose to exclusively host an event, such as the Best Paper award or the Junior Engineering Conference Scholarship ([www.aeroconf.org/junior-engineering](http://www.aeroconf.org/junior-engineering)). Event hosting allows a Patron an exclusive claim to support of that event, unless the Patron explicitly requests to co-host with another Patron. Ties will be decided by Patron level. All conference events are open to hosting, as are all publications. Events or publications not included in the conference may also be considered for hosting. Please contact Howard Neely, Exhibitors and Patrons Program Chair via email at [promotions@aeroconf.org](mailto:promotions@aeroconf.org).

Notes:

- The Guest Social Package ("Guest Pkg") includes the plenary dinners, the Slopeside Luncheon, and closing night party.
- We recommend that banners be at least 4' (1.22m) x 6' (1.83m), with grommets at the corners for hanging. Larger banners can be accommodated: contact us at [promotions@aeroconf.org](mailto:promotions@aeroconf.org). Please consider shipping your banners (by February 22, 2019), and notifying us of the tracking number for the banner package so we can have all banners installed in time for the first conference event Saturday night:

Your banner will be seen by all attendees during dinner and the Plenary Sessions

- Patrons are encouraged to email a logo that we can use on the Conference Supporter and Contributors page (inside front cover) in the conference Schedule and Program. Logo
